

# ELMINA METHODIST JHS COMPUTER LAB PROJECT NEWSLETTER NO. 5 - ADDENDUM

William W. Sales, Jr. / Aishah Sales / Sitembile Sales - February 25, 2020

## IMPORTANT GREAT NEWS

### S.E.E.D.S. COVERS THE COST FOR SHIPPING THE 22 COMPUTERS

#### THANK YOU S.E.E.D.S.

On October 9, 2019, Jacqueline Wright and Akinlabi Mackall, the co-founders of S.E.E.D.S. Inc., and their daughter Dr. Abena MacKall met at the school with Mr. Eric Warden [ the computer project supervisor ] and an associate to discuss the Elmina Methodist JHS Computer Lab Project. During that day, the group was able to interact with students, faculty, and administration. **Jacqueline Wright concluded that "It is our opinion that the project is viable; especially since it seems to have the full support of stakeholders including students, ancillary staff, administration, faculty and the PTA.."** Since joining the Elmina Methodist JHS Computer Lab Project, S.E.E.D.S. has provided their Technical Assistance / Advice, in addition to their Monetary Support. S.E.E.D.S. has truly played a major role in helping us to achieve the desired success of this project.

### BORIS FANT PROVIDES THE NECESSARY PROGRAM TO UPGRADE THE SHIPPED COMPUTERS TO WINDOWS 10

#### THANK YOU BORIS FANT

Boris Fant, who is the owner of Meteor Computer, Inc. and our computer consultant, meticulously checked each of the donated computers. on December 23, 2019. Boris has maintained contact with Eric Warden to help and to address the various computer technology questions that are related to the project. Once the shipped computers arrive in Ghana, Boris will be able to utilize the one computer and the flash drive that he programmed to assist in upgrading all of the other computers to Windows 10. Boris has graciously volunteered his time, and computer knowledge expertise. He has been committed to the success of the Elmina Methodist Computer Lab Project since its inception.
