**ALTHOUGH PROGRESS HAS BEEN MADE,
WE STILL NEED YOUR HELP**

- On December 11, 2019, New York Media donated 20 computer monitors, and 32 computers to the Elmina Methodist JHS Computer Lab Project – Thanks to Mr. Kermith Alayon

However, with Limited Funds, the following goals were met:

- Major renovations were done to outfit a classroom space in Elmina Methodist JHS for computer technology as well as computer lab use.
- On February 24, 2020, 22 complete sets of computers and ancillary equipment were shipped to the school. **But we still have 9 working computers that need to be shipped.**

In order to ship a complete set of the 9 remaining computers, we will need

9 additional Computer Monitors 9 Keyboard and Mouse Sets
A 16 Port Switch AND 9 Computer Power Cables.

WE TRULY NEED YOUR HELP TO MAKE THIS HAPPEN.

For Donations of Computer Supplies, or Equipment,

Please Contact William & Aishah Sales.
